

The message of hope we carry is more important than our groups or our individuality. The single requirement for membership, that a person wants to stop using, ensures that no addict or alcoholic needs to die without the chance Christ offers for recovery and deliverance.

We celebrate our equality under a merciful God and the freedom He allows in our choosing of Him.

JUST FOR TODAY

My thoughts will be on Jesus Christ and recovery through Him enjoying life without my addiction.

JUST FOR TODAY

I will have faith in the Lord Jesus Christ and in someone in CCR who believes in me and wants to help me.

JUST FOR TODAY

I will not fear for my thoughts will be on a forgiving God and my associations will be with those not using. So long as I follow this, I have nothing to fear.
