

THE ROAD TO RECOVERY

When our lives were out of control,
we responded to our trials in various ways,
most of the time with anger, bitterness and rebellion.
Our addiction determined how we acted.
We finally realized that our lives were out of control
and we were in the self destruct mode,
not only destroying ourselves, but the people we loved.
We needed to break the cycle, but under our own strength we couldn't.
Through CHRIST JESUS and GOD'S HOLY WORD this is possible.
The Bible is the greatest book on recovery ever written.
In its pages God sets out a plan for the recovery of His broken children.
Only God can restore those broken.
Through His wisdom and power these things are possible.
He is waiting with outstretched arms for us to turn to Him
and seek after His will.
It is then we can recover the wonderful life He has for us.
Some of us are just waking up to the fact that
recovery is an essential part of life.
It is the simple but challenging process of seeking God's will daily for our life,
instead of our way.
Recovery is letting God do for us what we can't do for ourselves.
We need to draw closer to the Redeemer.
It's letting God heal our wounded soul,
so we can in return help others in this healing process.
It is the greatest part of being human.
